Dear Doctor Falconer,

Accompanying this letter are the Surgical Supplies accounts, from July 1915 to January, 1916, which you requested; also a receipt which I shall be glad if you will sign and return to me.

Mrs. McIlwraith and I have carefully and laboriously gone over the accounts and the Order Book and find them correct. My auditor also finds them correct.

I regret very much that the Surgical Supplies, from the beginning of our work in March are not included, but one must be thankful for what this will bring. I have asked for half of the Stamp and Advertising bills, also for S. Richardson's wages, as it seemed only fair. Eaton's account I put by itself, as we use the Deposit Department there for greater convenience. I am also enclosing the Johnston & Johnston bill for Bandages which you were to inquire about.

Hon. Treas., MRS. F. N. G. STARR,

The Bandages are at present stored in the Physics Building, awaiting orders. If I am to pay this account will you kindly return it to me and add the amount, \$1303.70, to the cheque which will come to me from the Fulford subscription?

With kind regards, I remain,
Yours truly,

Mrs. E. N. G. Starr,

Dear Mrs. Starr:

I have made inquiries about the invoice from Johnson and Johnson. Mrs. Falconer says that it is quite correct and should be paid. Will you kindly pay it and send me the receipt and I will add it to the amount which is to be charged against the Fulford subscription?

I have left the vouchers with the Pursar and when he has checked them I will send you the receipt for them.

Yours sincerely,

President.

Dear Mrs. Starr:

I am sending the receipt of Johnson and Johnson to the Bursar and hope that you will soon get a cheque covering the full amount of all the vouchers for surgical supplies. I suppose, however, that in view of Dr. Roberts' letter you will not be having so many surgical supplies made as previously.

With kind regards, I am,

Yours sincerely,

President.
